Dear Veteran:

Two documents are needed to get the most benefits from the Veterans Administration. These are, the D.D. 214 and the certificate of Eligibility for Housing.

Without a D.D. 214 you can not obtain any benefits. The ones you get with the aforementioned document are too many to enumerate. The other one is a certificate of Eligibility. This one is used to acquire suitable housing for you and your loved ones.

If you are missing any of the above, why don't you stop by our office and apply for them. You'll get them sooner than you think!

We have other services to make life less bothersome to you and your family. Here are some of them:

1. Educational Counselling and referrals.
2. Applications for Service Connected Disability Pensions.
3. Non Service Connected Disability Pensions.
4. Appeals.
5. Training programs.
6. Last but not least Job Referrals.

If you are unemployed, we might be able to find you a job.
